WEDNESDAY MARCH 28.

MUD MACHINES AT WORK.

Even so clean a man as Judge Gresham cannot escape being a target for the mud machines, not of the enemy, but of his party friends. One of the charges of that famous campaign weapon, comes from the Cincinnati Commercial-Gazette, and reads as follows:

We presume Gen. Gresham voted for Hayes. He was accused by a paper in Evansville that does not always get things straight of voting for Tilden; but he was accused by a body of voting for Blaine or of putting forth his personal strength in 1885 in Indiana.

This paragraph would be very appropriate for the columns of a democratic newspaper, but that it should find its way in the editorial columns of a professed republican paper, is one of the strange things of these strange times. What are the facts? While secretary of the treasury, in 1881, he went from Washington to Indianapolis to vote the straight republican ticket, as he always did since 1860, when he cast his first vote for Lincoln. He has voted for every republican candidate for president since that time, except in 1864, when he was confined to his bed from desperate wounds received in the July battles before Atlanta.

Another story is being told that he will be opposed by the farmers of Indiana, because of a drive well decision which he rendered causing heavy losses to the farmers of that state, and which was afterwards reversed by the supreme court of the United States.

All such charges as these will be blown against Judge Gresham. He cannot escape them. The country has not produced a single man from the foundation of the government till now who has been snubbed by his enemies and even traduced by some of his party friends. Judge Gresham may not be the man for the choice of the convention, but he is a man of ability. He is a christian gentleman, and in public life as well as in private, he is blameless. But Judge Gresham is entitled to fair play and to decent treatment. He is a man who commands the confidence and respect of the men of all parties because of his service for his country, on the battle field and on the bench.

A Washington dispatch says that Senator Sawyer has cleared his bargain for the gold mine recently discovered near Washington. The discovery was made by a Georgia miner who induced an ex-employee of Senator Sawyer to "grab stake" with him. The two together purchased options on all the property in the neighborhood, and opened several shafts on one farm. The quartz which they mined produced from \$12 to \$40 a ton of actual rock. Senator Sawyer was induced to advance \$2,000 with which to begin operations. He was thoroughly satisfied with the result, and finally bought the farm upon which the quartz was discovered, for about \$2,000. He has taken out with crude machinery about 500 pounds of refined gold, and this week he purchased the interests of the discoverers and now controls the entire property. The senator's investments in this venture foot up to about \$40,000 thus far. He has contracted for 500,000 feet of lumber, to be delivered by way of the Chesapeake & Ohio Canal from his mills in Wisconsin and is preparing to start a town around his property. The place is about fifteen miles from Washington and every acre in the vicinity has been sold outright on an option.

The Gazette points with pride to the work of the republicans at the several ward caucuses last evening. Candidates have been placed in nomination for the several ward officers who are well qualified to fill and honor the positions for which they are named. The republicans have not the unpleasant task of apologizing for the action of any of their candidates. Their records will stand any criticism the democrats feel inclined to bring up. They are even having property interests in the city; are men of cool and deliberate judgment, possessing good business abilities, and who will obey the law as it is written. Our candidates are men of character, and as such will command the cordial and hearty support, not only of their own party friends but of a large proportion of the independent voters. They are as a class, men in whom it is safe to entrust the affairs of the city, and as such the Gazette takes pleasure in placing the names at the head of the column, and in recommending each one to the voters of the respective wards.

The labor men of Milwaukee have nominated a man for mayor who knows less than Dennis Kearney, the sand-lot orator. Kneeger is his name. He is trying to enlist the sympathy of the people saying that he is afflicted with the piles and therefore he wants the office of mayor of a large city that he might get an easy living. We guess it will be easier for him to get cured of hemorrhoids, than to be elected mayor of Milwaukee.

creditable appointment, and we do not recall the name of a prominent democrat whose qualifications are equal to those possessed by Mr. Phelps. It is understood that Mr. Phelps has expressed an intention of resigning his present position.

A democratic view from the Atlantic Constitution: "The St. Louis Globe-Democrat, noticing the rumor that Postmaster Pearson of New York city is to be removed, remarks that this 'is not civil service reform, but it is good, robust democratic politics. Well, as a democrat, we prefer robust democratic politics to the humping and humping of civil service reform. Mr. Cleveland evidently agrees with the Constitution."

Our friend Thomas M. Niebel has come to the surface long enough to attract a day's attention. The charge against him now is that he goes without clothes from choice. Of course this is denied. But Thomas has done many as strange a thing as going without clothes.

The visible supply of wheat and corn last Saturday was, respectively, 35,437,541 and 9,244,551 bushels. Since previous report corn decreased 35,573 bushels, while wheat fell off \$20,103 bushels.

IOWA GENERAL ASSEMBLY.

Senate Amendments to House Railroad Bill 373 Opposed in the House. Des Moines, Ia., March 28.—The House yesterday took up the Railroad bill 373, to consider the amendments made thereto by the Senate. It soon became evident that there will be work for a conference committee. The House refused to concur in a resolution of the amendments, and of minor importance. The main point of disagreement is in relation to section 5 of the House bill, which makes it unlawful for any common carrier to charge or receive any greater compensation in the aggregate for transportation of passengers, or of like kind of property, for a shorter than for a longer distance over the same line in the same direction, and to haul coal, stone, sand, or any other material, more for transporting freight to or from any point on its line than a fair and just proportion of the price it charges for the same kind of freight transportation to or from any other point.

The Senate amended by striking out all of the section after the word "direction," and inserting the following: "The longer being included within the shortest distance, and this amendment is construed as conferring authority to receive as great compensation for short as for longer distance."

The Senate spent most of the day on the school-house question. Senator Ellis's bill providing for a Board of Commissioners and uniformity of text books throughout the state by contract was opposed by the majority of the committee. A minority report favoring the bill, drafted by the one under consideration in the House. No conclusion was reached.

CHARGED WITH MISDEMEANOR.

CINCINNATI, March 28.—Ambrose E. White, commission merchant and manufacturer of cigars, was yesterday arrested on charge of embezzlement, at the instance of the Fulton Wadding Company of Parvett, Ill. It appears that White sold a \$20,000 consignment of goods and tendered his notes in payment, which were refused, and following this came the arrest. White gave bond in the sum of \$5,000.

REPUBLICAN CITY CONVENTION.

At the Council Chamber on Thursday, March 20th, at 10 o'clock.

The republican city convention, for the purpose of nominating a candidate for city treasurer, candidate for city attorney, a candidate for street commissioner, a candidate for justice of the peace, and a candidate for alderman, met at the council chamber on Thursday, March 20th, at 10 o'clock in the afternoon. Each ward was entitled to delegates as follows: First ward, seven; second ward, five; third ward, four; fourth ward, six; fifth ward, two. By order of the republican city committee.

First Ward.

H. P. BLISS.
H. P. VANDERLIND.
JOHN G. SAGE.
J. O. FREDERICK.
A. J. DENNETT.
WILSON LANE.

Second Ward.

—The Jolly Pathfinders next Monday.

—Democratic ward caucuses this evening.

—Fourth ward republicans will meet at the council chamber Saturday evening.

—All South church will give another of the Wednesday night suppers this evening.

—Badger Council No. 223, Royal Arcanum, assemble in regular semi-monthly meeting this evening.

—Wisconsin Lodge No. 14, I. O. O. F., occupy Odd Fellows hall this evening—regular weekly meeting.

—Tom Morrissey will leave to-morrow for Cincinnati, where his club—the St. Paul—is now gathering.

—J. W. Bates, Esq., went to Detroit, today to attend to some legal business in the justice court in that city.

—The republican city convention assemblies at the council chamber to-morrow afternoon at one o'clock.

—Jacksonville young people who have been attending school at Rockford, Madison and Kenosha, are home for the spring vacation.

—Charles D. Stevens of the drug firm of Palmer & Stevens, has bought the Milwaukee avenue residence property of Mr. Royal Wood.

—The Y. P. S. C. E., of the Baptist church, will give altar entertainment and social at the church parlors Friday evening, March 30th.

—Sherrill Newell Daniels, of Milwaukee, was in the city today attending to business connected with his office. He registered at the Grand.

—The admission for the Jolly Pathfinders will be 25, 35 and 50 cents. Sale of reserved seats opens at King's book store Saturday morning.

—Mr. E. D. Barge, of Milwaukee, Grand Representative of the International O. O. F., was in the city today in the interest of the order he represents. He returns in a few days to organize a lodge in this city.

—Men have been at work since yesterday removing a block from the wheel pit at Norcross & Doby's mill. Part of Milwaukee street has been torn up to give access to the head gate near Truelsen & Peterson's shoe store.

—People generally are well pleased with the republican nominations for ward officers. Harmony prevails all along the line, and the indications are that with a full vote on Tuesday, the republicans will be successful.

—There will probably be no votes cast by the gentler sex this spring. The supreme court rendered a decision yesterday refusing to grant a rehearing in the case of the Rev. Olympia Brown against the election inspectors of Racine, thus crushing the equal suffragists' last hope.

—The Young Peoples' Society of Christian Endeavor of the First Methodist church will hold a social this evening at the residence of Mr. and Mrs. C. Bailey, Race street, first ward. Oysters will be served and a general good time is expected. Everybody is cordially invited.
